

 **Skill Sprout™** is offering:

In-Home ABA Services in the Champaign, Illinois area!

Skill Sprout's Applied Behavior Analysis services assist parents throughout Champaign, Illinois and surrounding areas in taking control of their child's learning by accurately assessing areas of skill deficit, designing highly effective instruction that maximizes their child's learning and providing a team of experts to assist in direct services in the child's home.

Your child will receive 8-30 hours of direct individualized therapy supervised by our Masters-level, Board Certified Behavior Analyst.

Maximize a child's learning:

- Evidence-based instruction
- Increase skill acquisition rates
- Decrease problematic behavior

Covered by most major health insurance.

We handle insurance claims for you,
and help assist in managing costs.
